Greetings:

Thank you so much for donating to the Breitenbush Firehouse Project by purchasing a brick. Your commemorative brick will be laid in a circle around our brass fire pole, gracing our firehouse in perpetuity.

Brick No. 16

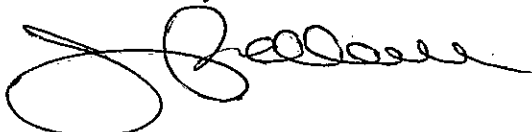

Oregon Volunteer Firefighters Association

Groundbreaking occurred fall of 2008 and construction continues on the firehouse today with the roof forming rapidly overhead. If all goes according to plan and enough money is raised, we will have the building completed by next spring. So many folks are dedicated to this project - whether it be giving money or labor, it's been an empowering phenomena to witness.

Once again, thank you for your support in protecting the Breitenbush area, I will insure that you receive an invitation to the opening ceremonies which are tentatively planned for spring 2010.

This letter shall serve as receipt for your \$100.00 tax-deductible contribution.

Sincerely,

Jordan D. Pollack, Chief
