Attention Scott Mullen

On behalf of Molalla Fire District, I would like to thank you for your support / donation towards Dave Dodson's 2 day class on Reading Smoke and the Art of First Due. With the support that was received this class was offered at no expense to all who wanted to attend, we had 180 firefighters from across the State attend this class last weekend. People have voiced a lot of thanks for this class. The most frequent comment that was received seemed to be can we do this on an annual basis with other instructors.

Respectfully,

Byron Wakefield  
Firefighter / EMT-P
